Give us your name and a human picture, only then will we accept your answers.

About me, the human person

Name

Regular human name like...Lennemore. That's a name, right? Lennemore? Is that anything?

If you weren't assigned a name please report back to the mother *immediately* you should *not* just be wandering around like this.

Photo

Submit a normal human photo, perhaps where the most teeth are exposed

If you need help find a photo where 33.33% is unoccupied by it's subjects.
